GRADE RUBBER IS
GUARANTEED TO
OUT-LAST THE LIFE
OF THE UNIT

AVAILABLE IN 2 POPULAR SIZES:
SMALL: 1" - 3/4" (21.5MM)
MEDIUM: 1 1/4" - 3/4" (21.5MM)

CONVENTION vs INNOVATION..

Condensate flows against the critical unglued drain connection which is a common cause of leaks

Condensate flows over the joints, not into the joints!
