EasyFresh™

Odour neutraliser for AC systems

Special Features

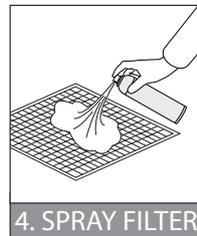

- Specifically designed for Air Conditioning units

EasyFresh™ has been specially designed to work on air conditioning systems to neutralise nasty smells. Unlike other fragrancing products, which only mask the unpleasant smell, the highly effective formula in EasyFresh™ eliminates odours on contact, leaving behind a long lasting fresh fragrance.

PRODUCT SPECIFICATION

Name	EasyFresh™
Product Code	S090049GB
Packing Quantity (ml, L)	12 x 400ml
Packing Size (L x H x D cm)	21 x 25 x 27
Shipping Weight (kg)	4.05
Shipping Volume (m ³)	0.0112
Soils	N/A

Directions of use

Isolate electrics and ensure sufficient ventilation. Shake the can well before use. Spray onto the coil and over the filter, ensuring an even covering. Odours will be instantly neutralised leaving behind a fresh scent. No need to rinse or wipe down.

EasyFresh™ can be used as part of your regular maintenance program.

EasyFresh™
UN1950
